

YOUTH PARTICIPATION

CONSENT FORM FOR PHOTO, VIDEO AND MEDIA CONSENT TO USE IN THE DRAW YOUR OWN SOLUTION CAMPAIGN (<https://moodspark.org.uk/draw-your-own-solution/>)

Centre/Project/Organisations: HeadStart Kent – Draw Your Own Solution

With regards to the photos or videos of (full name) _____

We are encouraging young people to send in vox pops (short videos of themselves talking) or images representing how they build resilience, to help other young people.

The images and videos received will be edited into a montage, to be used on social media channels; Instagram, TikTok and Snapchat. This is part of the resilience campaign for young people, Draw Your Own Solution.

Please note, if you/the young person would prefer not to be in the video or image, you can send in images or videos which represent how you build resilience (you don't necessarily have to be in them). However, if a young person appears in a video or image, it is essential this form is completed and submitted to HeadStart.

The Draw Your Own Solution campaign is delivered by Hitch Marketing, who have been commissioned by HeadStart Kent.

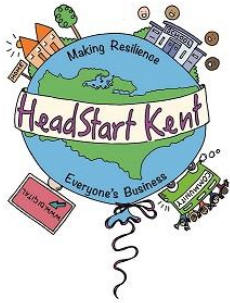

Yes, I consent to the photos being used externally by Hitch Marketing and HeadStart Kent...

I consent to the photo and videos I appear in to be used on social media
